

17th November, 1983.

To Whom it May Concern.

The bearer, Craig Anderson, was employed under contract as Head Tennis Pro at the Noosa International Tennis Centre. Craig was employed for a period of approximately three months coaching tennis.

We always found Craig to be friendly with a pleasant personality, relating well with the general public. Due to his effort and ability he helped to get the tennis centre, which was newly formed, off the ground and maintained a steady clientele.

Craig left us upon the termination of his contract. We feel that we can highly recommend him as an excellent tennis player and coach.

Yours faithfully,
